As we approach the end of 2022, we are thankful for your continued generosity and support of the Wausau Symphony & Band.

This concert season is off to a great start! The orchestra opened the season with the "Classical Bees", including works by Beethoven, Brahms, and Bizet. The December concert showcased the world premiere of the "Tale of Rip Van Winkle" by Wausau native, Ted Aarrestad. This concert was done in partnership with the Wausau Conservatory of Music to create an interactive experience that was fun for the whole family.

In January we will be transported to a night at the theater with "Songs from the Stage", featuring local vocalists from central Wisconsin active in community theater and choirs. The February concert, "Great Works for Wind Band", will feature a clarinet concerto and works by acclaimed American composer Frank Ticheli. Our season culminates with our annual Picnic at the Pavilion: a free, family-friendly concert at the historic Rothschild Pavilion.

We hope you will consider supporting our work with a tax-deductible donation during our 2022-2023 concert season, so that our musicians can continue doing what they love and to help our organization grow its musical impact within our community.

Donations can be mailed or made online at wausausymphonyband.org/donate or through our Facebook page.
