Dear supporters of the Wausau Symphony & Band,

We are excited to announce our upcoming season: *Celebrating 125 years!* This year is one of celebration!

The season opens with "Celebrating our Musicians" this October. We are blessed to have musicians that have been playing with the group for over 40 years! The concert will honor the musicians that make our organization so successful. The second concert of our season is "Celebrating the Holidays" this December. We are happy to bring back a concert with festive and fun holiday favorites! Our third concert will be "Celebrating our Future", this January. Many of our musicians have been with the group for decades, building our legacy. But we also look forward to how the group will look in years to come! The future of the musical community in Wausau is bright- to celebrate this we are inviting youth musicians to play with us for this concert. We also look forward to the debut of a newly commissioned piece by a local composer! The fourth concert will be "Celebrating Wisconsin" this March, featuring music from Wisconsin composers and a regional guest artist.

Our season concludes with "Celebrating our Audience" at the historic Rothschild Pavilion. The family-fun, community event will highlight pieces requested by our audience throughout the season. We are grateful to our community and want to show our thanks to those that have supported us through the years.

Our efforts would not be possible without the support of our musicians, individual donors, and business sponsors. We are writing to ask you invest in us this season to ensure that we are able to successfully bring high-quality classical music to the community. A sponsorship is a great way for your business to gain visibility and to display your support of the local performing arts.

Show your support with a corporate sponsorship and you will receive an ad in five concert program booklets. Sponsorships are available at \$1,000 to sponsor a single concert, \$500 for a full-page ad, \$300 for a half-page ad, or \$150 for a quarter-page ad. Or, if you prefer, cash donations are always welcomed. **Sponsorships may be sent at any time.** To be included in the full season of programs, we ask that sponsorships be received no later than **September 25th**.

Thank you for considering becoming a corporate sponsor, supporting us to continue our tradition of providing great instrumental music to Central Wisconsin.

Sincerely,

Arin Lemke, Board President

P.S. Please see our included poster for concert dates and visit our Facebook page for news and additional event information!
